Student Support Programs

The Denver Scholarship Foundation wants every college student to successfully complete a college degree or certificate. Below are some helpful resources and programs that are available at UNC.

TRIO STUDENT SUPPORT SERVICES (SSS)

Facilitates the successful academic progress and graduation of first - generation college students. The program is comprised of five interconnected and innovative components: curriculum and instruction, academic advising, tutoring, educational technology, and research and assessment.

LEAP: LEARNING THROUGH ENGAGING & AUTHENTIC PRACTICES

The goal of the program is to foster and cultivate an inclusive environment for students seeking pre - health degrees in biology or chemistry. Involvement with LEAP will enhance both your academic and personal life as you develop confidence, competency and autonomy.

CONNECTIONS SUMMER BRIDGE PROGRAM

The purpose of Connections is to prepare new CHE participants for a successful first year of college. During the four day summer bridge program, students will have the opportunity to meet other first - year CHE participants and staff and engage in interactive and fun activities.

UNC GO ON AND LEARN

GOAL is a federally designated Comprehensive Transition Program (CTP) for students with intellectual and developmental disabilities (I/DD). The mission of GOAL is competitive, integrated employment (at or above minimum wage) for graduates of the program.
